

**The following are the results of the compiled teacher evaluation responses:**

**Extremely Dissatisfied Students:**

Out of the nine students who indicated they were extremely dissatisfied, all who gave an applicable response regarding communication indicated the instructor did nothing to encourage communication.

**Extremely Satisfied Students:**

Out of the forty-three students who indicated they were extremely satisfied, twelve indicated discussion forums were used, six indicated email was used, two indicated the instructor posed direct questions to DL students and one referred to a team project. Only one extremely satisfied student indicated the instructor did nothing to encourage communication.

**Not Satisfied Students:**

Out of the nineteen not satisfied students, eight indicated the instructor did not encourage communication and three referred to a group project.

**Satisfied Students:**

Out of the seventy-nine, thirteen indicated the instructor did not encourage communication, fourteen indicated use of the discussion forum, nine indicated communication through email and one referred to a group project.
